Re: Annual Report MR-3 - ACT/017/001, ACT/017/016, ACT/017/017

Dear Sir:

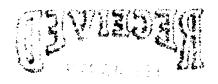

Enclosed please find the annual operations and progress reports for the above cited projects. We continued reducing our staff level in 1985 and are currently down to maintenance personnel who are located at the Tony M mine and the Processing Facility. There are no plans for startup in the immediate future.

If there are any questions regarding these forms, please call me at (801) 788-2018.

Sincerely,

Susan Pentico
